STUDENT RESPONSIBILITY CHECKLIST:

Please be aware, your signature on the bottom of this form indicates you have reviewed and agree to all information provided on this form.

I have read and agree to the following:

I understand that I will need to remain at full-time status with full-term courses in order to receive my full educational/housing benefit entitlement.

I understand all of my courses I am taking must apply to my program in order to be certified to the VA.

I understand the VA will not cover repeating of a course for which credit has already been earned.

I understand if all of my courses are online, the VA may pro-rate my eligibility rate.

I understand I have access to my College Financing Plan through my Self-Service account.

I understand completing a FAFSA or MASFA is required to be considered for federal aid (PELL grant and loans) and state grants (MassReconnect, MassEducate, etc.). Without a FAFSA or MASFA aid from these programs will not be considered when creating my College Finance plan.

I will report registration changes or if I stop attending class/classes to the Veteran Certifying Official.

I understand that "W"(withdraw) and "F" (failing) grades may result in reduced payment from the VA and I could potentially owe the college money.

I understand classes which are scheduled to meet for a shorter period of time than the normal semester term dates may be paid at a different rate based on the number of credits and length of course.

I will notify the Veteran Certifying Official before the start of the semester if my benefit chapter changes.

I understand that if I fail to comply with above, it could result in an overpayment/underpayment from the VA and I could potentially owe the college money.

I authorize BCC to release information from my academic records to the VA.
