Financial Aid Requirements and Information

- Appealing a Financial Aid Suspension is a separate process from Appealing an academic Suspension. If you meet with the Director of Advising and/or the Student Standing Committee and you are allowed to re-enroll at BCC, you must still separately Appeal a Financial Aid Suspension, or be prepared to pay college charges out-of-pocket.
- BCC will not consider Appeals on the basis of pre-existing conditions or circumstances already cited in a previous Appeal.
- Students may submit no more than 2 Financial Aid Suspension Appeals at BCC. However, if your Appeal is denied, you may re-Appeal if/when you have rehabilitated your academic record to comply with federal Financial Aid standards.

I understand that:

- I am only allowed to take courses that are required to complete my Academic Program.
- If my Academic Advisor and I make changes to the Academic Plan that I submitted with my Appeal, I am required to submit a new Academic Plan to the One Stop Enrollment Center.
- I am required to notify the One Stop Enrollment Center if I make changes to my registration while I remain on Financial Aid Probation.
- I must complete all of my courses, without withdrawals, incompletes, or failures, while I remain on Financial Aid Probation.
- I must maintain a minimum 2.000 term GPA each semester that I remain on Financial Aid Probation.
- If I am thinking about withdrawing from a class, I must contact the One Stop Enrollment Center so that I understand the consequences.
- The Financial Aid Suspension Appeal Committee/Director of Student Financial Services may recommend that I begin/continue working with an Academic Advisor.
- The Financial Aid Suspension Appeal Committee/Director of Student Financial Services may recommend that I utilize Tutoring Services, TRIO, Success Coach and/or the Disability Resource Center.
- If I apply for a student loan while on Financial Aid Probation, I may be recommended to meet with BCC's Student Loan Coordinator for one-on-one loan counseling.

By signing below I understand that if my Appeal is approved, I will be required to meet all requirements listed above. I also understand that my Financial Aid funds will not be disbursed to my account if these requirements are not met and may result in the loss of future aid.
