The actual "story" will be typed or pasted in this box. Note the maximum number of characters (1500), which includes punctuation and spaces. Text style control is limited to **Bold**, *Italics*, and Bullets.

The first tag must be Berkshire_Immigrant_Stories. This tag will identify this story as a part of this project. There can be as many other tags as desired.

These sections are largely optional, but they do provide additional information that help to categorize these stories.

Select from one of five menu options: 1st Generation; 1.5 Generation; 2nd Generation; 3rd Generation; 4th Generation+.

Confirmation of approval and acceptance of the story will be sent to this email address.
